

2020 Heart Your Kidneys Alexandria Walk SPONSOR OPPORTUNITIES

National Kidney Foundation™

of Louisiana

Why Should Your Company Help?

Visibility in the community! Let your community know that you care and are working to help in the fight against kidney disease.

Your company can benefit from maximum exposure of your products and services while simultaneously raising money and awareness for the National Kidney Foundation of Louisiana (NKFL). The "Heart Your

Kidneys" Walk is a launching pad that your marketing team can use to design a program that achieves your company's marketing objectives.

Our ability to deliver sponsorship benefits has earned the NKFL the trust and respect of Louisiana businesses and corporations. Our sponsors return year after year because of the extraordinary value and service they receive through a partnership with the NKFL.

How Your Money Helps

Your sponsorship for the "Heart Your Kidneys" Walk will ensure that we continue our mission in Louisiana of educating over 1.5 million people at increased risk for chronic kidney disease, assisting over 16,000 dialysis patients and promoting organ donation for the 1,900 waiting for a kidney transplant.

For every dollar raised at the Kidney Walk, more than 81 cents goes toward NKFL's patient programs and services.

I am thankful for my gift of life!

The wide range of NKFL's initiatives provided in Alexandria includes:

- Free informative resources for patients, families and the general public
- Free kidney health screenings
- Financial support to dialysis patients
- "Kidneys in the Classroom" presented within the educational system
- Educational tools, workshops and meetings for healthcare professionals
- Support of kidney research for new treatments

You can help by:

- Sponsoring at one of the levels included in this packet
- Selling NKFL Pin Ups at your corporate office
- Volunteering at the "Heart Your Kidneys" Walk
- Becoming a Team Captain and forming a Walk team
